Onboarding

keyblind quickstart

Zero to vault in one command.
keyblind.devblind AI to your keys

The old flow

Install, init, configure MCP, restart. Three docs open.

Keyblind
03 / 07

The new flow

One command, done.
keyblind.devblind AI to your keys

What it does

Creates the vault, generates the key, wires up Claude Code MCP.

Keyblind
05 / 07
Why it matters
Security tools lose users at the setup step.
keyblind.devblind AI to your keys

Keyblind
06 / 07

The philosophy

Protection that's too easy to skip.
keyblind.devblind AI to your keys

Keyblind
07 / 07

Try it

npm i -g keyblind && keyblind quickstart
keyblind.devblind AI to your keys
